

# Your Global Ministry Impact

## IN 2020

Dear Friend,

Despite unique and unexpected challenges in 2020, you've still helped accomplish so much to resource the under-resourced Church globally – so more people can come to know Jesus and share Him with others.

Thank you for your faithful partnership to help plant God's Word in hearts around the world. It was only because of God's grace working through you and your generosity that so much could be done to resource people, plant the Word and grow the Church as you'll see below.

Here's a glimpse into what your gifts and prayers made possible last year...

### IN 2020:

Over **1.77 million**  
people reached

Over **16 million**  
Bibles and biblical  
resources planted

**SINCE 1938:**

More than **920 million** Bibles and biblical resources planted

More than **74,200** Churches planted

More than **4,222 million** people trained

As you can see, you've helped provide Bibles, biblical resources, language translations and training for thousands of people. You've helped transform lives around the world by helping people engage with God's Word in ways they understand, so they can come to know Jesus.

Imagine how heaven rejoices as you help people trust in the Lord! As I read Psalm 147:11 ERV, I thought of you:

*"The Lord enjoys people who worship him and trust in his faithful love."*

Thank you again for being a source of hope and encouragement by providing God's Word to those who need it most!

Yours in His service,

**Hilton Edwards**  
Chief Executive Officer
