

A lasting legacy

*for future generations of people **and** animals*

Leaving a gift in your Will is one of the most significant ways to support **Humane Research Australia** in our ongoing campaigns to end animal experimentation in Australia.

Help us bring an end to animal experimentation and create a better world for animals and humans

Humane Research Australia is a not for profit organisation that envisions a future where medical progress is further advanced through the use of humane and scientifically valid non-animal methods of research - meaning no animals suffer in the pursuit of science.

Leaving a gift in your Will is a way to support a better life for both animals and humans, without any current expense. You can be assured that your future gift will mean that animals in experimentation can continue to benefit from your generosity.

Preparing your Will is an extremely personal matter. It allows you to provide for your family and friends, and any organisation or cause that is close to your heart. After providing for your loved ones, if you would like to help us continue our valuable work, please also consider a gift to Humane Research Australia.

Visit [HumaneResearch.org.au](https://www.humanersearch.org.au) or call us on 1800 486 263 to see how you can help provide a future of humane and scientifically valid research – a better world for animals AND humans.

HOW TO INCLUDE HUMANE RESEARCH AUSTRALIA IN YOUR WILL

After providing for your loved ones, if you would like to leave a gift to Humane Research Australia we recommend you consider using the following suggested wording after discussion with your solicitor:

"I give, free of all duties and taxes,% of the residue of my estate / the sum of dollars to Humane Research Australia Inc (ABN 17 208 630 818), after the payment of all my just debts, funeral and testamentary expenses, for the general purposes of Humane Research Australia. An authorised receipt from Humane Research Australia will be a sufficient discharge for the executor(s) or trustee."

Please let us know if you decide to leave us a gift in your Will, as we would like to keep you up to date with our activities and achievements, to recognise and thank you for your generosity, and of course so that you will know exactly how your contribution will be helping end animal experimentation in Australia.

If you have any questions about arranging a gift in your Will in favour of HRA, please do not hesitate to contact us on 1800 486 263. Thank you for considering the plight of animals used in experimentation in your Will.
